

# Waterford Stone™

## Benefits

- *Natural, time-honed look of hand-cut stone with antique edges and textured face*
- *Total design freedom: choice of large stone ratios, choice of color ranges (elemental and duos), choice of accent colors*
- *Modular formats mean less cutting and waste, more material savings*
- *Textured ends means no need for corner pieces*
- *Pigments are mixed evenly throughout the stone resulting in a product that maintains its color year after year*
