ATLAS[®]

ATLAS Modular Outdoor Design System, or MODS[®], was the first to be introduced in the backyard. With a wide variety of cabinets, MODBAR[™] pieces, fire pits, fire places, wood fired ovens and fire tables, the design possibilities are endless. Imagination is your only limitation.

Atlas is designed to support Fire Magic and AOG grills and stainless components.

Atlas, Strength through the ages.

MEDIUMRARE is the premiere provider of outdoor kitchen and outdoor living products in the USA. Through our dealer network, you can build the outdoor kitchen of your dreams.

It's Mediumrare's goal to help you build a lifetime of memories. At most family functions, people gather in the kitchen... that's where the food is! With the Mediumrare family of brands, you can take all of the comforts of indoors and move them outside.

See the Fire Magic and AOG catalogs for a complete product line up.

Atlas MODS®

The Atlas MODS® system helps you create the outdoor lifestyle of your dreams. Use our standard cabinets, fireplace collections, or both to begin "Building a lifetime of memories" today. Our Modular Outdoor Design Solutions can be configured to your taste and finished in a way that makes every project unique.

Atlas MODS® features:

- Welded tubular aluminum Construction
- Self-Aligning bolts allow the entire system to bolt together with ease
- 15-Year Warranty on frame
- PermaBase "ready to finish" cement board

Charleston brick oven followed by a fridge, AOG grill with side burner. Then the smoker with extended seating around the table.

Charleston brick oven with grill and side burner.

Warranties:

There is a 15-year warranty on all Atlas MODS® (Modular Outdoor Design Solutions), including:

- Modular Cabinets
- MODBAR™
- Modular Fireplace Collections

This warranty applies only to the frame and bolt assembly of each modular unit. Any Warranty issue related to third-party materials that MediumRare uses to complete the manufacturing process of a modular unit must be filed directly with the manufacturer of the third-party item.

All replacement parts and proof of purchase are required to be returned to the factory for defect verification. To initiate service please contact the point of purchase. All sales agents should have a service request form to start the warranty process with the factory.

- Warranty excludes surface corrosion, scratches, and discoloration which may occur during regular lifetime of the product.
- Warranty is limited to the replacement of defective parts.
- This warranty is in lieu of all other warranties.

Not Covered By Warranty:

- Installation - Damage or problems caused by improper installation or use, failure to follow local codes.
- Unauthorized parts
- Units installed in non-residential applications
- Shipping and handling
- Display models sold 'as is'.
- Cost of service to diagnose problems

Disclaimer:

The implied warranties of merchantability and of fitness for a particular purpose and, except as specifically set forth in this section, all other warranties and representations, expressed or implied, are hereby disclaimed and excluded. There are no warranties which extend beyond this description herein. No representative of company may later amend this section. This warranty shall immediately terminate if the products, or components thereof, shall be subjected to accident, alteration, abuse or misuse, which may directly or indirectly cause such defect. Customer hereby waives the benefit of any rule that disclaimer of warranty shall be construed against the seller and agrees that the foregoing disclaimer in this agreement shall be construed liberally in favor of company.
