# Cultured Transitions™

2017 Architectural Stone Trim and Accents Guide

Perfection is in the details.

Cultured Stone® by Boral® is once again pleased to bring your design dreams to life. Introducing Cultured Transitions™ – the new home for our ever-evolving collection of polished trim and accessories. Inside, you will discover contemporary new colors to add even more style, functionality and beauty to your home, as well as our unique accent offerings designed to blend effortlessly into even the most traditional facades.

Cast-Fit® Watertable/Sills are now available in three additional colors: Carbon, Intaglio and

Vellum. Sable, the newest color denoting hints of chestnut and cocoa, joins the collection in a number of products from electrical boxes to keystones and more. Nightfall™, a popular stormy color in a dark finish, is now available in additional products as well for an elegant lasting impression.

Crafted by our team of masters, Cultured Transitions™ are the sophisticated accents you've requested. Don't settle for less – elevate to the highest standard of style. Transition is here.
